

Nepalese Students Application procedure

- 1 Admission in all the academic programs - MBBS, BSc - Nursing, BSc - MIT, BSc - Lab Med, MD/ MS and sub-specialty programs are carried out by Medical Education Commission, Government of Nepal and selection will be done as per MEC guidelines by MEC. All aspirants for taking admission in various medical academic programs at MCOMS are therefore required to qualify in the MEC laid down pre-tests, examinations and selection process. Selected candidates have to obtain Admission Confirmation Letter from Kathmandu University School of Medical Sciences (KUSMS) prior to their reporting at MCOMS, Pokhara for commencement of academic classes. All aspirants desiring to take admission in any one of these programs, are advised to visit MEC site at info@mec.org.np, periodically.
- 2 For all types of admission quarry, students are advised to contact Mrs Kavita Kshetri, Admission Officer on 009779802804000 or write to college on college e-mail ID mcoms@manipalpokhara.edu.np.

The dates of entrance examinations are announced by Medical Education Commission, Government of Nepal through notices displayed in their websites. The notice is generally published in May/June every year.
